# Abstract

Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magnam aliquam quaerat voluptatem. Ut enim aequaleamur animo, cum corpore dolemus, fieri tamen permagna accessio potest, si aliquod aeternum et infinitum impendere malum nobis opinemur. Quod idem licet transferre in voluptatem, ut postea variari voluptas distinguique possit, augeri amplificarique non possit. At etiam Athenis, ut e patre audiebam facete et urbane Stoicos irridente, statua est in quo a nobis philosophia defensa et collaudata est, cum id, quod maxime placeat, facere possimus, omnis voluptas assumenda est, omnis dolor repellendus. Temporibus autem quibusdam et aut officiis debitis aut rerum necessitatibus saepe eveniet, ut et voluptates repudiandae sint et molestiae non recusandae. Itaque earum rerum defuturum, quas natura non depravata desiderat. Et quem ad me accedis, saluto: 'chaere,' inquam, 'Tite!' lictores, turma omnis chorusque: 'chaere, Tite!' hinc hostis mi Albucius, hinc inimicus. Sed iure Mucius.

# 1 This is a chapter headline

For real information, see chapter 2 on page 3.

## 1.1 Let's create a section

Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor.

### 1.1.1 And a subsection

Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magnam aliquam quaerat voluptatem. Ut enim aequaleamur animo, cum corpore dolemus, fieri tamen permagna accessio potest, si aliquod aeternum et infinitum impendere malum nobis opinemur. Quod idem licet transferre in voluptatem, ut postea variari voluptas distinguique possit, augeri amplificarique non possit. At etiam Athenis, ut e patre audiebam facete et urbane Stoicos irridente, statua est in quo a nobis philosophia defensa et.

### 1.1.2 Yet another subsection

Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do.

## 1.2 How about another section

Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do.

### Now we are going really deep

Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magnam aliquam quaerat voluptatem. Ut enim aequaleamur animo, cum corpore dolemus, fieri tamen permagna accessio potest, si aliquod aeternum et infinitum impendere malum nobis opinemur. Quod idem licet transferre in voluptatem, ut postea variari voluptas distinguique possit, augeri

amplificarique non possit. At etiam Athenis, ut e patre audiebam facete et urbane  
Stoicos irridente, statua est in quo a nobis philosophia defensa et.

## 2 This chapter is included from another file

Let's see in Listing 1 how nicely syntax highlighting works in Typst.

I really like it!

```
fn main() {  
    println!("Hello, world!");  
}
```

Listing 1: Rust sample

Awesome, isn't it?

Well, if you're coming from a nice Markdown editor, there is nothing new with it, but in comparison to L<sup>A</sup>T<sub>E</sub>X? No extra package required!

By the way, do you like [1]?

## 3 Test
